

CARROLL & SCOTT

Hi! We're Carroll & Scott and we would like to thank you for the chance to introduce ourselves to you. We are honored that you would like to get to know more about us. We can only imagine how difficult this decision is for you and we want you to know that your feelings are important to us. We admire you for your strength and courage in determining the future you feel is best for your child.

WE'VE BEEN

MARRIED FOR OVER TEN YEARS, AND TRULY ARE ONE ANOTHER'S BEST FRIEND. THE STRENGTH OF OUR RELATIONSHIP LIES IN OUR ABILITY TO COMMUNICATE AND UNDERSTAND EACH OTHER'S NEEDS AND WANTS.

TOGETHER, WE ENJOY

TRAVELING, CAMPING, PADDLING OUR KAYAKS,
GOING TO CONCERTS, SPORTING EVENTS AND
MOST OF ALL WE ENJOY EACH OTHERS COMPANY AND
SPENDING TIME WITH OUR FAMILY AND FRIENDS.

Scott is a leading sales representative at the largest food distribution company in the nation. He enjoys his position very much and is appreciative to be able to balance work and family while being very successful. His position allows him the freedom to work from home at times and has a very flexible schedule.

Carroll is currently an office manager for a commercial printing and graphic arts company. She is responsible for many different aspects of the business from customer service to purchasing. We are planning on Carroll being a stay at home mom.

WE LIVE

in a beautiful close-knit riverfront community with our dog Budde Bear. He is a two-year old black Labrador who loves to play with children of all ages. We live a few miles from most of our family and enjoy visits regularly. We have a fenced in back yard with enough room to run and play ball. We are two blocks from the new elementary school and town park. Our neighborhood is full of families with children of all ages. It is very friendly and safe, and a wonderful place to raise a family.

CARROLL

A LETTER FROM SCOTT

Carroll is the most loving and caring person I know. From the moment we met, I fell in love with her positive attitude and forever smile. Like her mother, Carroll only sees the best in people and deeply loves and cares for her family and friends.

CARROLL IS GOING TO BE AN INCREDIBLE MOTHER

She has an endless supply of love and energy. Constantly giving hugs and kisses, she shows her emotions and is extremely affectionate. She's an awesome cook as well and spends a lot of time in the kitchen. I look forward to each and every day with my wife and am very excited about starting a family.

A LETTER FROM CARROLL

SCOTT IS TRULY A PEOPLE'S PERSON; HE HAS A GREAT PERSONALITY AND SENSE OF HUMOR AND PUTS A SMILE ON MY FACE ALL THE TIME.

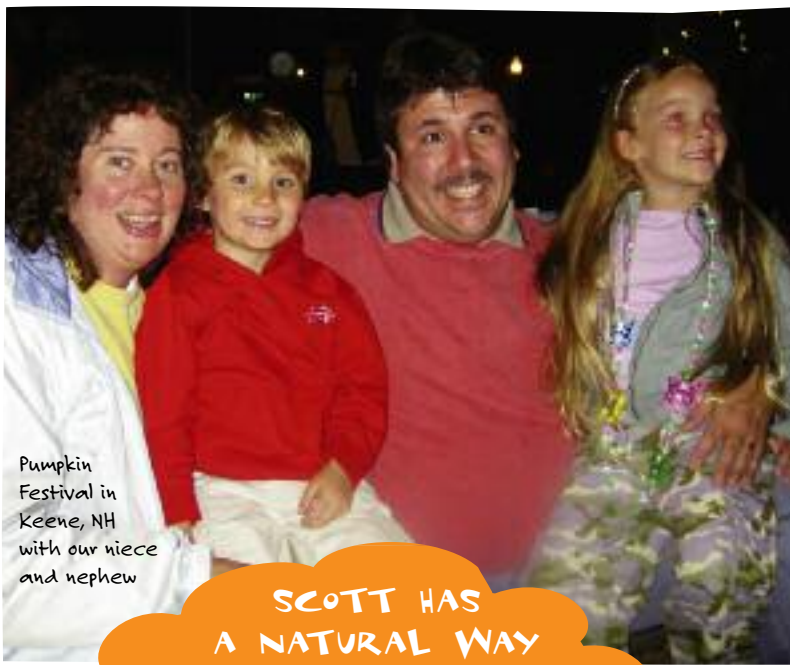

The River Walk

I can't imagine my life without Scott. He is the most supportive, caring and loving person I know. Listening and communication are great qualities in Scott. He prides himself on his family relationships and makes his loved ones his priority. Whether it's his uncles and aunts, his younger cousins or niece or nephew, Scott's family is the center of his life. Children take to him quickly and love interacting with him. I love to watch them as they are so "in tune" to each other when they are playing together. Scott's going to be a great dad! I am

so grateful to be married to someone whose family is such an important part of our lives, and am very excited about expanding our families.

We are very close with Scott's only sister, Eve-Marie. Eve is married and has two wonderful children, Kyra and JP. Our family is very close-knit and we enjoy frequent visits, many phone calls and any opportunity we have to spend time together. Carroll has an older brother and sister, John and Louise. John lives in Brooklyn and visits regularly. While spending time with the family, John's unique and caring personality always brightens our visits. Louise lives in Florida and maintains contact.

THANK YOU FOR TAKING
THE TIME TO LEARN A
LITTLE ABOUT US.

We realize you will make the most important decision of your life; considering an adoption plan for your child. If you choose us as parents you can feel comfortable knowing that he or she will be loved and cared for unconditionally. Please know that if you desire them, we would be honored to share pictures and letters through the years.
